**OFFICE OF PETITIONS**

In re Application of	:	
Louis Chevallier, et al.	:	
Application No. 09/806,393	:	DECISION ON PETITION
Filed: June 4, 2001	:	
Attorney Docket No. PF 980067	:	

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed February 25, 2009, to revive the above-identified application.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. In accordance with 37 CFR 1.34(a), the signature appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts. However, if petitioner desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted.

This application became abandoned as a result of petitioner's failure to file a complete and proper appeal brief within the time period provided in 37 CFR 41.37(a)(1). As a complete and proper appeal brief was not filed within one (1) month of the Notification of Non-Compliance with 37 CFR 41.37(c)(1), mailed November 30, 2007, and no extensions of time under the provisions of 37 CFR 1.136(a) were obtained, the appeal was dismissed and the proceedings as to the rejected claims were terminated. See 37 CFR 1.197(b). As no claim was allowed, the application became abandoned on December 31, 2007. See MPEP 1215.04.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an Appeal Brief, (2) the petition fee of \$1620, and (3) a proper statement of unintentional delay.

The petition is **GRANTED**.

Telephone inquiries concerning this decision should be directed to undersigned at (571) 272-1642. All other inquiries concerning the examination or status of this application should be directed to the Technology Center.

This application is being referred to Technology Center AU 2421 for appropriate action by the Examiner in the normal course of business on the reply received February 25, 2009.

A handwritten signature in cursive script, appearing to read "April M. Wise".
